Skunk Spray Home Remedy

1. Rub your dog down with **CAT LITTER** (preferably non-clumping) for 20 minutes. Don't rinse off.
2. Coat the dog with **LISTERINE** and let it soak for 20 minutes.
3. Rinse the litter and Listerine off, and follow with a **DAWN DISH SOAP** bath.
4. It's recommended you schedule a grooming session for the final touches to get your pet looking its best again!
